

LiveVoice App Interpretation Service

You can use the interpretation service via the App LiveVoice on your smartphone.

Step 1:

Make sure you're connected to the internet via WIFI or mobile data.

Step 2:

Download the LiveVoice App
for Apple (iOS 10 or up)
for Android (Jelly Bean 4.1 or up)

Step 3:

Enter the Event-Code 720027 and join live event.

Step 4:

Select your language and press play.

Please note:

In case the stream disconnects, simply restart the app, login with the event code again and press play.

Alternative access:

If it doesn't work with your smartphone, please check out the website and join there with the event code. It's the same code for the smartphone and the website.
